Hello Mike. I'll get with staff to see if they can email you the number of containers in the grid you outlined in the email.

Hello Leo,

It was nice meeting you at the BID Consortium meeting last week. Thank you for the presentation, it was very informative.

I wanted to follow up with you about getting access to the data that showed the location of all the trashcans.

I am particularly interested in Wilshire Center BID area (Wilton to Hoover and 3rd to 8th Street).

Can you please let me know if that is something I can get access to or that you can provide me?

Thank you,
Mike Russell
